THEMOMENTUMSTOCKS finds hot stocks which has very strong upward momentum.

We will focus on small cap stocks and as well as some medium cap stocks .

THEMOMENTUMSTOCKS will never pump and dump stocks . All stocks picked are fundamentally and technically sound.

Our aim is get 10 to 20% return within few weeks. Picks are usually posted between 9:30 AM and 10:00 AM EST and mostly before market open. All the picks so far has been posted before market open. We use Swing trading method for our picks.

In order to get picks, you must subscribe

Good luck investing.

Thanks
